

Become a Friend of the ISO

In celebration of the many years of the **Irving Symphony League** and your valuable dedication to promoting our involvement in the metroplex, we are excited to share our intention to reinvigorate our mission and community outreach through the newly renamed organization: **Friends of the ISO.**

The Friends will maintain the mission of providing service to the community through scholarships, "Concerts4Kids," Healing Notes, and the Ovation program, as well as helping promote the ISO and our concerts. The Friends will plan special events enabling you to share your enthusiasm for the symphony with other friends, along with opportunities to engage with Maestro Hector Guzman and the orchestra members. This cannot happen without your support!

Come and join us as we jumpstart our new season of "Feel the Music." We encourage you to share the "Friends of the ISO" and the added benefits with your friends. **If you have any questions, please call 972-831-8818 or email: admirvingsymphony@gmail.com**
